DUAL DIPLOMA PROGRAM
COURSE CATALOG**

The Mission of the Academica International Studies Dual Diploma Program is to give students in countries outside of the United States the opportunity to earn a U.S. high school diploma while simultaneously earning their secondary school diploma in their country of origin. The purpose is to provide an additional competitive advantage to these students by fostering the development of self-directed and responsible 21st century life-long learners through the thoughtful use of interactive, media-rich educational opportunities in a flexible, student-centered, virtual learning environment.

Academica International Studies provides the following services and benefits to its students:

ACCESS: Access to an extremely diverse, fully-accredited course catalog. Our courses are aligned to both state and national standards.

INNOVATION: The possibility for student enrichment in a rich and engaging virtual classroom provided by a student-friendly Learning Management System (LMS). The LMS also gives teachers flexibility to enhance course content and adapt requirements and objectives to directly meet individual student needs when needed.

RESPONSIVENESS: Facilitation and feedback will be provided by highly experienced faculty members, who hold valid Florida teaching certificates. Our teachers are professionally trained in online education best practices, and will communicate and collaborate with students adhering to our high standards for faculty responsiveness.

MENTORSHIP: Students will be closely monitored by teachers and administrators to ensure achievement and success, including a cohesive communications plan that alerts students and parents about progress and pacing so any potential problems or struggles are solved before they become major issues.
